

FLOOR AMENDMENT NO. _____

BY:

1 Amend H.B. No. 1654 (house committee printing) on page 1,
2 line 14, following the period, by inserting "The principal must
3 designate, for each political party whose nominee for governor
4 in the most recent gubernatorial general election received at
5 least 20 percent of the total number of votes received by all
6 candidates for governor in the election, two employees who voted
7 in the general primary election or runoff primary election held
8 by the party. The same number of employees must be designated
9 for each political party described by this subsection. If there
10 are not at least two employees who can be designated for each
11 political party described by this subsection, the number of
12 deputy registrars designated shall be the number that ensures
13 each political party described by this subsection has equal
14 representation.
