A BILL TO BE ENTITLED

AN ACT

relating to authorizing the possession, use, cultivation, distribution, transportation, and delivery of medical cannabis for medical use by qualifying patients with certain debilitating medical conditions and the licensing of dispensing organizations and testing facilities; authorizing fees.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 481.062(a), Health and Safety Code, is amended to read as follows:

(a) The following persons may possess a controlled substance under this chapter without registering with the Federal Drug Enforcement Administration:

(1) an agent or employee of a manufacturer, distributor, analyzer, or dispenser of the controlled substance who is registered with the Federal Drug Enforcement Administration and acting in the usual course of business or employment;

(2) a common or contract carrier, a warehouseman, or an employee of a carrier or warehouseman whose possession of the controlled substance is in the usual course of business or employment;

(3) an ultimate user or a person in possession of the controlled substance under a lawful order of a practitioner or in lawful possession of the controlled substance if it is listed in Schedule V;
an officer or employee of this state, another
state, a political subdivision of this state or another state, or
the United States who is lawfully engaged in the enforcement of a
law relating to a controlled substance or drug or to a customs law
and authorized to possess the controlled substance in the discharge
of the person's official duties;

(5) if the substance is tetrahydrocannabinol or one of
its derivatives:

(A) a Department of State Health Services
official, a medical school researcher, or a research program
participant possessing the substance as authorized under
Subchapter G; or

(B) a practitioner or an ultimate user possessing
the substance as a participant in a federally approved therapeutic
research program that the commissioner has reviewed and found, in
writing, to contain a medically responsible research protocol; or

(6) a person possessing medical cannabis, as defined
by Section 169.001, Occupations Code, who is authorized to possess
medical cannabis [dispensing organization licensed] under Chapter
487 [that possesses low-THC cannabis].

SECTION 2. Sections 481.111(e) and (f), Health and Safety
Code, are amended to read as follows:

(e) Sections 481.120, 481.121, 481.122, and 481.125 do not
apply to a person who engages in the acquisition, possession,
production, cultivation, delivery, or disposal of a raw material
used in or by-product created by the production or cultivation of
medical [low-THC] cannabis if the person:
(1) for an offense involving possession only of marihuana or drug paraphernalia, is a cardholder or nonresident cardholder authorized under Chapter 487 to possess medical cannabis for medical use by a qualifying patient [for whom low-THC cannabis is prescribed under Chapter 169, Occupations Code, or the patient's legal guardian,] and the person possesses no more than the allowable amount of medical [low-THC] cannabis, as determined under Section 487.081 [obtained under a valid prescription from a dispensing organization]; or

(2) is a director, manager, or employee of a dispensing organization or cannabis testing facility and the person, solely in performing the person's regular duties at the organization or facility, acquires, possesses, produces, cultivates, dispenses, or disposes of:

   (A) in reasonable quantities, any medical [low-THC] cannabis or raw materials used in or by-products created by the production or cultivation of medical [low-THC] cannabis; or

   (B) any drug paraphernalia used in the acquisition, possession, production, cultivation, delivery, or disposal of medical [low-THC] cannabis.

(f) For purposes of Subsection (e):

   (1) "Cannabis testing facility," "cardholder," "dispensing organization," and "nonresident cardholder" have the meanings ["Dispensing organization" has the meaning] assigned by Section 487.001.

   (2) "Medical cannabis," "medical use," and "qualifying patient" have the meanings ["Low-THC cannabis" has the
meaning] assigned by Section 169.001, Occupations Code.

SECTION 3. Section 487.001, Health and Safety Code, is amended to read as follows:

Sec. 487.001. DEFINITIONS. In this chapter:

(1) "Cannabis testing facility" means an independent entity licensed by the department under this chapter to analyze the safety and potency of medical cannabis.

(2) "Cardholder" means a qualifying patient or a registered caregiver who is issued a registry identification card.

(3) "Debilitating medical condition," "medical cannabis," "medical practitioner," "medical use," and "qualifying patient" have the meanings assigned by Section 169.001, Occupations Code.

(4) "Department" means the Department of Public Safety.

(5) "Director" means the public safety director of the department.

(6) "Dispensing organization" means an organization licensed by the department to cultivate, process, and dispense medical [low-THC] cannabis to a patient for whom medical use [low-THC cannabis] is recommended [prescribed] under Chapter 169, Occupations Code.

(7) "Drug paraphernalia" has the meaning assigned by Section 481.002.

(8) "Nonresident cardholder" means a person who is not a resident of this state and who:

(A) has been diagnosed with a debilitating
medical condition and issued a currently valid registry identification card or the equivalent under the laws of another state, district, territory, commonwealth, insular possession of the United States, or country recognized by the United States, that authorizes medical use by the person in the jurisdiction of issuance; or

(B) is the parent, legal guardian, or conservator of a person described by Paragraph (A).

(9) "Registered caregiver" means a person who:

(A) is at least 21 years of age or a parent, legal guardian, or conservator of a qualifying patient;

(B) has significant responsibility for managing the medical care of a qualifying patient listed on the compassionate-use registry; and

(C) has been issued a registry identification card identifying the person as a registered caregiver of a qualifying patient listed on the compassionate-use registry.

(10) "Registry identification card" means a document issued by the department that identifies a person as:

(A) a qualifying patient listed on the compassionate-use registry; or

(B) a registered caregiver of a qualifying patient listed on the compassionate-use registry.

(11) "Written certification" means a document produced under Section 169.002, Occupations Code.

[4) "Low-THC cannabis" has the meaning assigned by Section 169.001, Occupations Code.]
SECTION 4. Chapter 487, Health and Safety Code, is amended by adding Subchapter A-1 to read as follows:

SUBCHAPTER A-1. PROTECTIONS RELATED TO MEDICAL USE OF CANNABIS

Sec. 487.021. PROTECTION FROM LEGAL ACTION. (a) This section applies to a person who is:

(1) a cardholder;
(2) a nonresident cardholder;
(3) a dispensing organization;
(4) a cannabis testing facility; or
(5) a director, manager, or employee of a dispensing organization or of a cannabis testing facility who is registered with the department under Section 487.053.

(b) Notwithstanding any other law, a person described by Subsection (a) is not subject to arrest, prosecution, or penalty in any manner, or denial of any right or privilege, including any civil penalty or disciplinary action by a court or occupational or professional licensing board or bureau, for conduct involving medical use that is authorized under this chapter, department rule, or Chapter 169, Occupations Code.

Sec. 487.022. NO PRESUMPTION OF CHILD ABUSE, NEGLECT, OR ENDANGERMENT. A person described by Section 487.021(a) may not be presumed to have engaged in conduct constituting child abuse, neglect, or endangerment solely because the person engaged in conduct involving medical use that is authorized under this chapter, department rule, or Chapter 169, Occupations Code.

Sec. 487.023. NO DENIAL OF PARENTAL RIGHTS. The fact that a person described by Section 487.021(a) engages in conduct...
authorized under this chapter, department rule, or Chapter 169, Occupations Code, does not in itself constitute grounds for denying, limiting, or restricting conservatorship or possession of or access to a child under Title 5, Family Code.

Sec. 487.024. NO SEIZURE OR FORFEITURE. Property used in the cultivation, distribution, transportation, and delivery of medical cannabis for medical use that is authorized under this chapter, department rule, or Chapter 169, Occupations Code, is not contraband for purposes of Chapter 59, Code of Criminal Procedure, and is not subject to seizure or forfeiture under that chapter or other law solely for the use of the property in those authorized activities.

Sec. 487.025. NO PROSECUTION FOR PROVISION OF PARAPHERNALIA. A person is not subject to arrest, prosecution, or the imposition of any sentence or penalty for the delivery, possession with intent to deliver, or manufacture of any item that meets the definition of drug paraphernalia, if that item is delivered, possessed with intent to deliver, or manufactured for the sole purpose of providing that item to a cardholder or nonresident cardholder for medical use under this chapter, department rule, or Chapter 169, Occupations Code.

SECTION 5. Section 487.052, Health and Safety Code, is amended to read as follows:

Sec. 487.052. RULES. (a) The director shall adopt any rules necessary for the administration and enforcement of this chapter.

(b) The director shall adopt reasonable [including] rules
imposing fees under this chapter in amounts sufficient to cover the
cost of administering this chapter. Fees collected under a rule
adopted under this chapter may be used only for the administration
of this chapter.

(c) The director shall adopt rules in accordance with
Section 487.081 governing the allowable amount of medical cannabis
a cardholder or nonresident cardholder may possess for medical use
by a qualifying patient.

(d) The director by rule shall adopt labeling requirements
for medical cannabis.

(e) The director shall adopt rules establishing security
requirements concerning the cultivation of medical cannabis by a
cardholder.

(f) The director shall adopt reasonable rules governing
access to medical cannabis by nonresident cardholders.

SECTION 6. The heading to Section 487.053, Health and
Safety Code, is amended to read as follows:

Sec. 487.053. LICENSING OF DISPENSING ORGANIZATIONS AND
CANNABIS TESTING FACILITIES; REGISTRATION OF CERTAIN ASSOCIATED
INDIVIDUALS.

SECTION 7. Section 487.053(a), Health and Safety Code, is
amended to read as follows:

(a) The department shall:

(1) issue or renew a license to operate as:

(A) a dispensing organization to each applicant
who satisfies the requirements established under this chapter for
licensure as a dispensing organization; and
(B) a cannabis testing facility to each applicant who satisfies the requirements established under this chapter for licensure as a cannabis testing facility; and

(2) register directors, managers, and employees of each:

(A) dispensing organization; and

(B) cannabis testing facility.

SECTION 8. Section 487.054, Health and Safety Code, is amended to read as follows:

Sec. 487.054. COMPASSIONATE-USE REGISTRY. (a) The department shall establish and maintain a secure online compassionate-use registry that contains:

(1) the name of each individual who is issued a registry identification card and each nonresident cardholder who receives medical cannabis from a dispensing organization;

(2) the name of each medical practitioner who recommends medical use to a qualifying patient and [physician who registers as the prescriber for a patient under Section 169.004, Occupations Code,] the name and date of birth of that [the] patient[, the dosage prescribed, the means of administration ordered, and the total amount of low-THC cannabis required to fill the patient's prescription]; and

(3) [the] a record of each amount of medical [low-THC] cannabis dispensed by a dispensing organization to a cardholder or nonresident cardholder [patient under a prescription].

(b) The department shall ensure the registry:

(1) is designed to prevent more than one medical
practitioner [qualified physician] from registering as the recommending medical practitioner [prescriber] for a single patient; and

(2) is accessible to law enforcement agencies and dispensing organizations for the purpose of verifying whether a person is authorized under this chapter to receive medical cannabis [patient is one for whom low-THC cannabis is prescribed and whether the patient’s prescriptions have been filled; and

(3) allows a physician qualified to prescribe low-THC cannabis under Section 169.002, Occupations Code, to input safety and efficacy data derived from the treatment of patients for whom low-THC cannabis is prescribed under Chapter 169, Occupations Code].

SECTION 9. Subchapter B, Chapter 487, Health and Safety Code, is amended by adding Sections 487.055 and 487.056 to read as follows:

Sec. 487.055. LICENSING AND REGULATION OF CANNABIS TESTING FACILITIES. The director shall adopt all rules necessary for:

(1) the licensing and regulation of cannabis testing facilities and the directors, managers, and employees of those facilities;

(2) the operation of cannabis testing facilities; and

(3) the testing of the safety and potency of medical cannabis.

Sec. 487.056. APPLICATION FOR REGISTRY IDENTIFICATION CARD. (a) The director by rule shall adopt an application for a registry identification card:
(1) for a qualifying patient; and
(2) for a designated caregiver.

(b) An applicant for a registry identification card must submit to the department:

(1) the application adopted under Subsection (a);
(2) a written certification that was issued within the 90 days preceding the date of application and that affirms that medical use is recommended for the qualifying patient;
(3) the application fee prescribed by department rule; and
(4) any other forms developed by the director for submission with the application.

(c) The department shall issue a registry identification to an applicant who is a qualifying patient or the registered caregiver of a qualifying patient not later than the 25th day after the date the application is submitted.

SECTION 10. Chapter 487, Health and Safety Code, is amended by adding Subchapter B-1 to read as follows:

SUBCHAPTER B-1. ALLOWABLE AMOUNT OF MEDICAL CANNABIS AND ACCESS TO MEDICAL CANNABIS

Sec. 487.081. ALLOWABLE AMOUNT OF MEDICAL CANNABIS. (a) A cardholder or nonresident cardholder may possess for medical use by the qualifying patient no more than the allowable amount of medical cannabis for that qualifying patient, as provided by this section and department rule.

(b) The director by rule shall specify the number of cannabis plants that may be cultivated or possessed for medical use.
by a qualifying patient, which may not be fewer than six cannabis
plants. The amount of medical cannabis, edible products that
contain medical cannabis, or products infused with medical cannabis
that are produced from the allowable number of cannabis plants may
be possessed for medical use by a cardholder or nonresident
cardholder on the site where those plants are cultivated,
regardless of whether the amount possessed on that site exceeds the
quantity otherwise provided as the allowable amount of medical
cannabis for the qualifying patient by a rule adopted under this
section.

(c) The director by rule shall specify the quantity of
medical cannabis other than cannabis plants, edible products that
contain medical cannabis, or products infused with medical
cannabis, that, except as otherwise provided by Subsection (b) or
(e), may be possessed by a cardholder or nonresident cardholder for
medical use by a qualifying patient, which may not be less than 2.5
ounces.

(d) The director by rule shall specify the quantity of
edible products that contain medical cannabis or products infused
with medical cannabis that, except as otherwise provided by
Subsection (b) or (e), may be possessed by a cardholder or
nonresident cardholder for medical use by a qualifying patient.

(e) If a medical practitioner recommends in the qualifying
patient's written certification a different amount of medical
cannabis than the amount provided by rule adopted under this
section, the amount recommended by the written certification is
the allowable amount of medical cannabis for that qualifying
patient.

Sec. 487.082. ACCESS TO MEDICAL CANNABIS BEFORE REGISTRY IDENTIFICATION CARD ISSUED. An applicant for a registry identification card may receive medical cannabis from a dispensing organization before the department issues a registry identification card on providing:

(1) proof that the application was submitted to the department and any application fees were paid; and

(2) a copy of the applicant's written certification.

Sec. 487.083. ACCESS TO MEDICAL CANNABIS BEFORE DECEMBER 1, 2017. (a) On or before December 1, 2017, notwithstanding a contrary provision of this chapter, a qualifying patient or a caregiver with significant responsibility for managing the well-being of a qualifying patient may obtain medical cannabis from a dispensing organization on providing:

(1) for a qualifying patient, a copy of the qualifying patient's written certification; or

(2) for a caregiver of the qualifying patient:

(A) a copy of the qualifying patient's written certification; and

(B) an affidavit stating:

(i) that the caregiver is the qualifying patient's parent or guardian; or

(ii) that the caregiver has significant responsibility for managing the well-being of the qualifying patient and that is signed by the qualifying patient or the qualifying patient's parent or guardian, if the qualifying patient
is a minor.

(b) This section expires December 1, 2017.

SECTION 11. Section 487.102, Health and Safety Code, is amended to read as follows:

Sec. 487.102. ELIGIBILITY FOR LICENSE. An applicant for a license to operate as a dispensing organization is eligible for the license if:

(1) as determined by the department, the applicant possesses:

(A) the technical and technological ability to cultivate and produce medical [low-THC] cannabis;

(B) the ability to secure:

(i) the resources and personnel necessary to operate as a dispensing organization; and

(ii) premises reasonably located to allow patients listed on the compassionate-use registry access to the organization through existing infrastructure;

(C) the ability to maintain accountability for the raw materials, the finished product, and any by-products used or produced in the cultivation or production of medical [low-THC] cannabis to prevent unlawful access to or unlawful diversion or possession of those materials, products, or by-products; and

(D) the financial ability to maintain operations for not less than two years from the date of application;

(2) each director, manager, or employee of the applicant is registered under Subchapter D; and

(3) the applicant satisfies any additional criteria
determined by the director to be necessary to safely implement this chapter.

SECTION 12. Subchapter C, Chapter 487, Health and Safety Code, is amended by adding Section 487.1025 to read as follows:

Sec. 487.1025. ANNUAL LICENSE FEE. The director shall charge an annual license fee set initially by the director in an amount not to exceed $5,000. The director shall annually adjust for inflation the annual license fee.

SECTION 13. Section 487.103, Health and Safety Code, is amended by adding Subsection (a-1) to read as follows:

(a-1) The director shall set the application fee charged under Subsection (a) initially in an amount not to exceed $2,500. The director shall annually adjust for inflation the application fee.

SECTION 14. Section 487.104(a), Health and Safety Code, is amended to read as follows:

(a) The department shall issue or renew a license to operate as a dispensing organization only if:

(1) the department determines the applicant meets the eligibility requirements described by Section 487.102; and

(2) issuance or renewal of the license is necessary to ensure reasonable statewide access to, and the availability of, medical [low-THC] cannabis for patients registered in the compassionate-use registry and for whom medical [low-THC] cannabis is recommended [prescribed] under Chapter 169, Occupations Code.

SECTION 15. Section 487.107, Health and Safety Code, is amended to read as follows:
Sec. 487.107. DUTIES RELATING TO DISPENSING MEDICAL CANNABIS [PRESCRIPTION]. (a) Before dispensing medical [low-THC] cannabis to a person authorized under this chapter to receive medical [for whom the low-THC] cannabis [is prescribed under Chapter 169, Occupations Code], the dispensing organization must verify that [the prescription presented]:

1. the person receiving the medical cannabis is [for]
2. a cardholder [person] listed [as a patient] in the compassionate-use registry or a nonresident cardholder;
3. the medical cannabis, including any edible products that contain medical cannabis and any products infused with medical cannabis, has been properly tested and properly labeled in accordance with standards established by the department [matches the entry in the compassionate-use registry with respect to the total amount of low-THC cannabis required to fill the prescription]; and
4. the amount of medical cannabis dispensed to the person would not cause the person to possess more than the allowable amount of medical cannabis for the qualifying patient, as determined under Section 487.081 [has not previously been filled by a dispensing organization as indicated by an entry in the compassionate-use registry].

(b) After dispensing medical [low-THC] cannabis to a cardholder or nonresident cardholder [patient for whom the low-THC cannabis is prescribed under Chapter 169, Occupations Code], the dispensing organization shall record in the compassionate-use registry the name and address of the individual to whom the medical
cannabis is dispensed, the form and quantity of medical [low-THC] cannabis dispensed, and the date and time of dispensation.

SECTION 16. Section 487.108(c), Health and Safety Code, is amended to read as follows:

(c) After suspending or revoking a license issued under this chapter, the director may seize or place under seal all medical [low-THC] cannabis and drug paraphernalia owned or possessed by the dispensing organization. If the director orders the revocation of the license, a disposition may not be made of the seized or sealed medical [low-THC] cannabis or drug paraphernalia until the time for administrative appeal of the order has elapsed or until all appeals have been concluded. When a revocation order becomes final, all medical [low-THC] cannabis and drug paraphernalia may be forfeited to the state as provided under Subchapter E, Chapter 481.

SECTION 17. Section 487.151, Health and Safety Code, is amended by adding Subsection (a-1) to read as follows:

(a-1) An individual who is a director, manager, or employee of a cannabis testing facility must apply for and obtain a registration under this section.

SECTION 18. Section 487.201, Health and Safety Code, is amended to read as follows:

Sec. 487.201. COUNTIES AND MUNICIPALITIES MAY NOT PROHIBIT MEDICAL [LOW-THC] CANNABIS. A municipality, county, or other political subdivision may not enact, adopt, or enforce a rule, ordinance, order, resolution, or other regulation that prohibits the cultivation, production, dispensing, or possession of medical [low-THC] cannabis, as authorized by this chapter.
SECTION 19. The heading to Chapter 169, Occupations Code, is amended to read as follows:

CHAPTER 169. AUTHORITY TO [PRESCRIBE] MEDICAL [LOW-THC] CANNABIS TO CERTAIN PATIENTS FOR COMPASSIONATE USE

SECTION 20. Sections 169.001, 169.002, and 169.004, Occupations Code, are amended to read as follows:

Sec. 169.001. DEFINITIONS. In this chapter:

(1) "Debilitating medical condition" means:

(A) cancer, glaucoma, positive status for human immunodeficiency virus, acquired immune deficiency syndrome, hepatitis C, amyotrophic lateral sclerosis, Crohn's disease, ulcerative colitis, agitation of Alzheimer's disease, post-traumatic stress disorder, autism, sickle cell anemia, severe fibromyalgia, spinal cord disease, spinal cord injury, traumatic brain injury or post-concussion syndrome, chronic traumatic encephalopathy, Parkinson's disease, muscular dystrophy, or Huntington's disease;

(B) a chronic medical condition that produces, or the treatment of a chronic medical condition that produces:

(i) cachexia or wasting syndrome;
(ii) severe pain;
(iii) severe nausea;
(iv) seizures, including those characteristic of epilepsy; or
(v) severe and persistent muscle spasms, including those characteristic of multiple sclerosis; or

(C) any other medical condition approved as a
debilitating medical condition by department rule or any symptom
caused by the treatment of a medical condition that is approved as a
debilitating medical condition by department rule.

(2) "Department" means the Department of Public
Safety.

(2) "Intractable epilepsy" means a seizure disorder in
which the patient's seizures have been treated by two or more
appropriately chosen and maximally titrated antiepileptic drugs
that have failed to control the seizures.

(3) "Medical ["Low-THC"] cannabis" means the plant
Cannabis sativa L., and any part of that plant or any compound,
manufacture, salt, derivative, mixture, preparation, resin, or oil
of that plant [that contains:

(A) not more than 0.5 percent by weight of
tetrahydrocannabinols; and

(B) not less than 10 percent by weight of
cannabidiol].

(4) "Medical practitioner" means:

(A) a licensed physician;

(B) an advanced practice registered nurse who has
been delegated prescriptive authority in accordance with
Subchapter B, Chapter 157; or

(C) a physician assistant who has been delegated
prescriptive authority in accordance with Subchapter B, Chapter
157.

(5) "Medical use" means the ingestion of medical
by a means of administration other than by smoking of a prescribed
amount of low-THC cannabis by a qualifying patient to treat or alleviate the patient's debilitating medical condition [person for whom low-THC cannabis is prescribed under this chapter].

(6) "Qualifying patient" means a person who has been diagnosed with a debilitating medical condition by a medical practitioner.

(5) "Smoking" means burning or igniting a substance and inhaling the smoke.)

Sec. 169.002. RECOMMENDATION FOR MEDICAL [PHYSICIAN QUALIFIED TO PRESCRIBE LOW-THC CANNABIS BY MEDICAL PRACTITIONER.

(a) A medical practitioner may recommend medical cannabis to a qualifying patient if the medical practitioner attests through written certification that, in the medical practitioner's professional opinion:

(1) the diagnosis of a debilitating medical condition for the qualifying patient is correct;

(2) the qualifying patient is likely to receive therapeutic or palliative benefit from the medical use of medical cannabis to treat or alleviate the patient's debilitating medical condition; and

(3) the potential benefits to the qualifying patient of medical use outweigh the health risks of medical use.

(b) The written certification described by Subsection (a) must:

(1) be dated and signed by the medical practitioner;

(2) specify the qualifying patient's debilitating medical condition; and
(3) affirm that medical use was recommended in the
course of a bona fide practitioner-patient relationship between the
qualifying patient and the medical practitioner. Only a physician
qualified as provided by this section may prescribe low-THC
cannabis in accordance with this chapter.

(b) A physician is qualified to prescribe low-THC cannabis
to a patient with intractable epilepsy if the physician:

(1) is licensed under this subtitle;
(2) dedicates a significant portion of clinical
practice to the evaluation and treatment of epilepsy; and
(3) is certified:

(A) by the American Board of Psychiatry and
Neurology in:

(i) epilepsy; or
(ii) neurology or neurology with special
qualification in child neurology and is otherwise qualified for the
examination for certification in epilepsy; or

(B) in neurophysiology by:

(i) the American Board of Psychiatry and
Neurology; or

(ii) the American Board of Clinical
Neurophysiology.

Sec. 169.004. [LOW-THC CANNABIS PRESCRIBER] REGISTRATION
OF RECOMMENDING MEDICAL PRACTITIONERS. Before a medical
practitioner [physician qualified to prescribe low-THC cannabis
under Section 169.002] may recommend medical use [prescribe or
renew a prescription for low-THC cannabis] for a qualifying patient
under this chapter, the practitioner [physician] must register as the recommending medical practitioner [prescriber] for that patient in the compassionate-use registry maintained by the department under Section 487.054, Health and Safety Code. The medical practitioner's [physician's] registration must indicate:

(1) the medical practitioner's [physician's] name; and

(2) the qualifying patient's name and date of birth;

(3) the dosage prescribed to the patient;

(4) the means of administration ordered for the patient; and

(5) the total amount of low-THC cannabis required to fill the patient's prescription).

SECTION 21. Section 551.004, Occupations Code, is amended by amending Subsection (a) and adding Subsection (a-1) to read as follows:

(a) This subtitle does not apply to:

(1) a practitioner licensed by the appropriate state board who supplies a patient of the practitioner with a drug in a manner authorized by state or federal law and who does not operate a pharmacy for the retailing of prescription drugs;

(2) a member of the faculty of a college of pharmacy recognized by the board who is a pharmacist and who performs the pharmacist's services only for the benefit of the college;

(3) a person who procures prescription drugs for lawful research, teaching, or testing and not for resale;

(4) a home and community support services agency that possesses a dangerous drug as authorized by Section 142.0061,
142.0062, or 142.0063, Health and Safety Code; or

(5) a dispensing organization, as defined by Section 487.001, Health and Safety Code, that cultivates, processes, and dispenses medical low-THC cannabis, as authorized by Chapter 487, Health and Safety Code, to a cardholder or nonresident cardholder [patient listed in the compassionate-use registry established under that chapter].

(a-1) For purposes of Subsection (a)(5), "cardholder," "dispensing organization," and "nonresident cardholder" have the meanings assigned by Section 487.001, Health and Safety Code.

SECTION 22. Sections 169.003 and 169.005, Occupations Code, are repealed.

SECTION 23. Not later than October 1, 2017, the public safety director of the Department of Public Safety shall adopt rules as required to implement, administer, and enforce Chapter 487, Health and Safety Code, as amended by this Act, including rules relating to adopting an application for a registry identification card, as required by Section 487.056, Health and Safety Code, as added by this Act.

SECTION 24. (a) A license to operate as a dispensing organization issued under Chapter 487, Health and Safety Code, before the effective date of this Act continues to be valid after the effective date of this Act until that license expires.

(b) The registration of a director, manager, or employee of a dispensing organization under Subchapter D, Chapter 487, Health and Safety Code, continues to be valid after the effective date of this Act until that registration expires.
(c) As soon as practicable after the effective date of this Act, the Department of Public Safety shall issue compassionate-use registry cards to all individuals listed on that registry on the effective date of this Act.

SECTION 25. This Act takes effect immediately if it receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution. If this Act does not receive the vote necessary for immediate effect, this Act takes effect September 1, 2017.
