2 oral statement that is made by the defendant and that is related to

6 criminal history is not permitted by state or federal law, then the  
7 content of the defendant's criminal history shall be disclosed in  
8 writing. A judge shall on request issue an order requiring  
9 disclosure of the records if a court order is required for  
10 disclosure by state or federal law;

11           (5) any record of a criminal conviction or other  
12 criminal history admissible for impeachment under the Texas Rules

16           (6) any affidavit, warrant, or return pertaining to a  
17 search or seizure in connection with the case;

18           (7) any physical or documentary evidence related to  
19 the case charged that was obtained from or that belongs to the  
20 defendant or that the attorney representing the state intends to

22 materiality by the defendant, the opportunity to test that  
23 evidence;

24           (8) the names and addresses of the witnesses called to  
25 present evidence under Rules 702, 703, and 705, Texas Rules of  
26 Evidence;

27           (9) any document or recording produced by or for an

1 expert witness related to the case charged; and

2 (10) any plea agreement, grant of immunity, benefit  
3 promised or conferred, or other agreement for testimony or

5 enforcement officer or agency in connection with the case. [Upon  
6 ~~motion of the defendant showing good cause therefor and upon notice~~  
7 ~~to the other parties, except as provided by Article 39.15, the court~~  
8 ~~in which an action is pending shall order the State before or during~~  
9 ~~trial of a criminal action therein pending or on trial to produce~~  
10 ~~and permit the inspection and copying or photographing by or on~~  
11 ~~behalf of the defendant of any designated documents, papers,~~  
12 ~~written statement of the defendant, (except written statements of~~  
13 ~~witnesses and except the work product of counsel in the case and~~  
14 ~~their investigators and their notes or report), books, accounts,~~  
15 ~~letters, photographs, objects or tangible things not privileged,~~  
16 ~~which constitute or contain evidence material to any matter~~  
17 ~~involved in the action and which are in the possession, custody or~~  
18 ~~control of the State or any of its agencies. The order shall~~  
19 ~~specify the time, place and manner of making the inspection and~~  
20 ~~taking the copies and photographs of any of the aforementioned~~  
21 ~~documents or tangible evidence; provided, however, that the rights~~  
22 ~~herein granted shall not extend to written communications between~~  
23 ~~the State or any of its agents or representatives or employees.~~  
24 ~~Nothing in this Act shall authorize the removal of such evidence~~  
25 ~~from the possession of the State, and any inspection shall be in the~~  
26 ~~presence of a representative of the State.]~~

27 (b) The state shall give to the defendant, at the beginning

1 of jury selection, a written list of the names of all witnesses who  
2 the State reasonably expects to call during trial, as well as the  
3 criminal histories of those witnesses, in a manner consistent with  
4 state and federal law. Following the disclosure of a witnesses  
5 name, any party may request the court to order, on a showing of good  
6 cause, the disclosure of the last known address for the witness. A  
7 court, on request, may, and on a showing of good cause shall, order  
8 earlier disclosure of the names and addresses of all witnesses who  
9 the State reasonably expects to call during trial. [On motion of a  
10 party and on notice to the other parties, the court in which an  
11 action is pending may order one or more of the other parties to  
12 disclose to the party making the motion the name and address of each  
13 person the other party may use at trial to present evidence under  
14 Rules 702, 703, and 705, Texas Rules of Evidence. The court shall  
15 specify in the order the time and manner in which the other party  
16 must make the disclosure to the moving party, but in specifying the  
17 time in which the other party shall make disclosure the court shall  
18 require the other party to make the disclosure not later than the  
19 20th day before the date the trial begins].

20 (c) If the defendant gives notice of an alibi under Section  
21 2(c)(2), the attorney representing the state shall disclose to the  
22 defendant's counsel as soon as practicable the names of the  
23 witnesses of whom the state has knowledge and whom the state intends  
24 to use to rebut the alibi or the testimony of any of the defendant's  
25 witnesses called to establish the alibi.

26 (d) On a timely basis, law enforcement and investigatory  
27 agencies shall make available to the attorney representing the

1 state and the attorney representing the state shall request a  
2 complete copy of the complete files related to the investigation of  
3 the crimes committed or the prosecution of the defendant for  
4 compliance with this article. Investigatory agencies that obtain  
5 information and materials listed in subsection (a) of this section  
6 shall ensure that such information and materials are fully  
7 disclosed to the prosecutor's office on a timely basis for  
8 disclosure to the defendant.

9 (e) Except as otherwise permitted by this article, this  
10 article does not authorize the removal of physical evidence from  
11 the possession of the state, and any inspection of physical  
12 evidence shall be conducted in the presence of a representative of  
13 the state. A court shall, when requested and as necessary under the  
14 circumstances, order specific inspection procedures necessary to  
15 protect the integrity of the evidence and the ability to inspect it  
16 in a manner that does not compromise a defendant's ability to  
17 maintain confidentiality of work product and the attorney client  
18 privilege.

19 Sec. 2. DISCLOSURE BY DEFENDANT. (a) After receiving the  
20 initial disclosure under Section 1 from the attorney representing  
21 the state, the defendant shall disclose to the attorney  
22 representing the state and permit inspection, photocopying, and  
23 photographing of the following materials and information:

24 (1) any written or recorded statement by a witness,  
25 other than the defendant, that is related to the offense charged, if  
26 the defendant intends to call the witness at trial;

27 (2) any physical or documentary evidence that the

1 defendant intends to use in its case in chief and, on a showing of  
2 materiality by the attorney representing the state, the opportunity  
3 to test that evidence;

4 (3) the names and addresses of the witnesses called to  
5 present evidence under Rules 702, 703, and 705, Texas Rules of  
6 Evidence; and

7 (4) any report produced by or for an expert witness the  
8 defendant intends to call at the trial.

9 (b) The defense shall give the state, at the beginning of  
10 jury selection, a written list of the names of all lay witnesses who  
11 the defense reasonably expect to call during trial. Following the  
12 disclosure of a witnesses name, any party may request the court to  
13 order, on a showing of good cause, the disclosure of the last known  
14 address for the witness.

15 (c) (1) If requested in writing by the attorney representing  
16 the state, a defendant who may assert one or more defenses or  
17 affirmative defenses listed in Chapter 8 or 9, Penal Code, shall  
18 provide the state with written notice that the defendant may assert  
19 the statutory defense or affirmative defense. Notice shall be  
20 provided by the defendant not later than the 30th day before the  
21 date that jury selection begins or as soon as practicable after the  
22 date the defendant receives a disclosure under Section 1 to which  
23 the defense is responsive, whichever is later. If the State amends  
24 the information or indictment or files a new information or obtains  
25 a new indictment within 30 days of the beginning of jury selection,  
26 the defendant shall be allowed not less than 10 days after being  
27 served with an amended or new information or indictment, or having

1 received actual notice of the amendment in open court, to amend or  
2 supplement an existing notice or provide an initial notice. Any  
3 notice provided under this subsection is for purposes of discovery  
4 only and is not admissible at trial.

5 (2) If requested in writing by the attorney  
6 representing the state, and if the attorney representing the state  
7 provides the defendant in such written request with the specific  
8 date, time, and place of the alleged offense, a defendant who will  
9 assert an alibi shall provide the state, not later than 20 days  
10 before the beginning of jury selection, a written response  
11 including the location at which the defendant claims to have been at  
12 the time of the alleged offense and the names of the witnesses the  
13 defendant intends to use to establish the alibi.

14 Sec. 3. EXCEPTIONS TO DISCLOSURE. (a) Neither the attorney  
15 representing the state nor the defendant is required to disclose  
16 materials or information that is:

17 (1) recorded proceedings of a grand jury, except as  
18 required by the Texas Rules of Evidence, other law, or court order;

19 (2) a work product, meaning written materials drafted  
20 by an attorney or the attorney's legal staff for their own use,  
21 including witness examinations, voir dire questions, opening  
22 statements, closing arguments, legal research, or of records,  
23 correspondence, reports, memoranda, or notes prepared by  
24 the attorney or by members of the attorney's legal staff to the  
25 extent they contain the opinions, theories, strategies, or  
26 conclusions of the attorney or the attorney's legal staff.  
27 Records, correspondence, reports, memoranda, or notes prepared by

1 the prosecuting attorney, its agents, or by members of the  
2 prosecuting attorney's legal staff are not work product as to any  
3 portion that contains potentially favorable or exculpatory or  
4 impeaching information as to guilt or punishment or information  
5 that may mitigate punishment. Disclosure is also not required of  
6 any document of the attorney representing the defendant, or an  
7 investigator or other agent of the attorney representing the  
8 defendant that is made in connection with the investigation,  
9 prosecution, or defense of the case; or

10 (3) privileged under a rule of evidence, an express  
11 statutory provision, the Texas Constitution, or the United States  
12 Constitution.

13 (b) This article does not authorize disclosure of the name,  
14 address, or telephone number of a victim in violation of Chapter 57.

15 (c) A victim impact statement shall be provided to the  
16 defendant at the beginning of jury selection if the person  
17 completing the victim impact statement is disclosed by the State as  
18 a potential witness on its witness list or there is reason to  
19 believe that the person may otherwise testify at the trial. A  
20 victim impact statement is subject to disclosure as any other  
21 evidence or information if it contains exculpatory material.

22 Sec. 4. CONTINUING DUTY TO DISCLOSE. If, subsequent to  
23 compliance with this article or a relevant court order, a party  
24 discovers additional material or information subject to  
25 disclosure, the party shall immediately notify the other party's  
26 counsel of the existence of the additional material or information.

27 Sec. 5 CERTIFICATE OF COMPLIANCE. Each time a party

1 provides discovery, disclosure, or notice required or permitted by  
2 this article or pursuant to court order, it shall file with the  
3 court a Certificate of Compliance listing the items provided or  
4 disclosed or the notice given. Any party may request any other  
5 party to acknowledge receipt of any discovery, disclosure or notice  
6 provided for by this article or required by court order and the  
7 party receiving such discovery, disclosure, or notice shall, when  
8 requested, acknowledge in writing, or on the record in open court,  
9 the receipt of any discovery, disclosure, or notice. On request of  
10 any party, the other party shall certify either in writing or on the  
11 record in open court that, to the best of its knowledge and after  
12 reasonable inquiry, the party has disclosed and made available all  
13 items subject to discovery and disclosure and has provided all  
14 required notices, and if not previously identified in a Certificate  
15 of Compliance shall identify each item of provided discovery,  
16 disclosure and notice. If further discovery is provided after the  
17 filing of a Certificate of Compliance, an additional or  
18 supplemental Certificate of Compliance shall be filed with the  
19 court, or announced on the record in open court, identifying the  
20 additional items of discovery, matters or information disclosed, or  
21 notice given.

22 Sec. 6. EXCISION. (a) Except as provided by Subsection  
23 (b), if a portion of material or information is subject to discovery  
24 under this article and a portion is not subject to discovery, only  
25 the portion that is subject to discovery must be disclosed. The  
26 disclosing party shall inform the other party's counsel that the  
27 portion of material or information that is not subject to discovery

1 has been excised and withheld. On request, the court shall conduct  
2 a hearing to determine whether the reasons for excision are  
3 justifiable. Material or information excised pursuant to judicial  
4 order shall be sealed and preserved in the records of the court and  
5 shall be made available to an appellate court in the event of an  
6 appeal.

7 (b) Excision of a witness statement produced in accordance  
8 with the Texas Rules of Evidence is governed by that rule.

9 Sec. 7. PROTECTIVE ORDERS. On a showing of good cause by  
10 either party the court may at any time enter an appropriate  
11 protective order that a specified disclosure be denied, restricted,  
12 or deferred. "Good cause," for purposes of this section, includes  
13 threats, harm, intimidation, or possible danger to the safety of a  
14 victim or witness, possible loss, destruction, or fabrication of  
15 evidence, or possible compromise of other investigations by law  
16 enforcement or a defense offered by a defendant.

17 Sec. 8. IN CAMERA PROCEEDINGS. On request, the court may  
18 permit to be made in camera an excision hearing under Section 5(a),  
19 a showing of good cause for denial or regulation of a disclosure  
20 under Section 6, or any portion of a proceeding. A verbatim record  
21 shall be made of a proceeding in camera. If the court excises a  
22 portion of the material or information or enters an order granting  
23 relief following a showing of good cause, the entire record shall be  
24 sealed and preserved in the records of the court and shall be made  
25 available to an appellate court in the event of an appeal.

26 A court shall permit counsel for both parties to be present  
27 at the in-camera excision hearing, or, for portions of the

1 in-camera excision hearing as the circumstances require, unless  
2 doing so would result in a violation of a privilege under the Rules  
3 of Evidence or if the court cannot, through a protective or  
4 confidentiality order, achieve the purposes of the in-camera  
5 hearing. The court may issue such protective and confidentiality  
6 orders as are necessary to prevent dissemination of proceedings  
7 held in-camera and as to any material excised. A court order under  
8 this section must only be as narrow as necessary to achieve the  
9 purposes of the excision.

10 Sec. 9. CONFERENCE. On request or motion of any party or on  
11 its own motion, the court shall hold a discovery conference to  
12 resolve any discovery, disclosure, or notice issue, to ensure that  
13 the parties are aware of their respective discovery, disclosure,  
14 and notice obligations under this article, or to verify compliance  
15 by each party with this article. Any party who has not received  
16 required or requested discovery, disclosure, or notice, shall  
17 request a discovery conference to be held not later than 20 days  
18 before the beginning of jury selection to resolve any issue with  
19 respect to the discovery, disclosure, or notice.

20 Sec. 10. COMPLIANCE; SANCTIONS. (a) The disclosures  
21 required under this article may be performed in any manner that is  
22 mutually agreeable to the attorney representing the state and the  
23 attorney representing the defendant or that is ordered by the court  
24 in accordance with this article. The order issued by the court may  
25 specify the time, place, and manner of making the required  
26 disclosures.

27 (b) If the court finds that a party has failed to comply with

1 any of the provisions of this article, the court may order and  
2 compel such party to provide the required discovery or disclosure,  
3 grant a continuance, issue a protective order, take other  
4 appropriate action as necessary under the circumstances to  
5 accomplish the purposes of the required discovery or disclosure,  
6 or, and only if other remedial alternatives have been exhausted,  
7 prohibit the introduction of certain evidence, the calling of  
8 certain witnesses, or other relief necessary to assure justice. The  
9 court may not dismiss a charge under this subsection unless  
10 authorized or required to do so by other law.

11 Sec. 11. COSTS. (a) All reasonable and necessary costs  
12 related to a disclosure required under this article, including the  
13 photocopying of materials, shall be paid by the requesting party,  
14 except that an indigent defendant shall not be required to pay costs  
15 provided for by this article. Costs under this article may not  
16 exceed those provided for by the Texas Public Information Act.

17 (b) The commissioners court of the county in which the  
18 indictment, information, or complaint is pending may not, as a  
19 result of any payment by the defendant of the costs required by this  
20 article, reduce the amount of money provided by the county to the  
21 office of the attorney representing the state, nor may it reduce the  
22 amount of money provided to a public defender's office as a result  
23 of costs paid to it under this article.

24 Sec. 12. DISCLOSURE TO THIRD PARTIES. Before the date on  
25 which the trial begins, the attorney representing the state, the  
26 attorney representing the defendant, or an investigator, expert, or  
27 other agent for the attorney representing the state or the attorney

1 representing the defendant may not disclose, without obtaining  
2 approval of the trial court, information or witness statements  
3 received from the opposing party to any third party, other than to  
4 an investigator, expert, consulting counsel, or other agent for the  
5 attorney representing the state or the attorney representing the  
6 defendant, as applicable. Information or witness statements  
7 received under this article, and not otherwise made a part of a  
8 public record as part of judicial proceedings, may not be made  
9 available to the public without a court order permitting such  
10 disclosure.

11 Sec. 13. DISCLOSURE OF CERTAIN CONTACT INFORMATION. (a)  
12 The attorney representing the state, without a protective court  
13 order or a hearing before the court, may excise from an offense  
14 report or other report any contact information of the alleged  
15 victim of an offense that is listed under:

16 (1) Section 3g, Article 42.12; or

17 (2) Article 62.001(5).

18 (b) On request of the defendant, and on a showing of good  
19 cause, the court shall order disclosure to the defense of the  
20 alleged victim's contact information subject to reasonable  
21 limitations on further disclosure, which may include, as the  
22 circumstances require, an order prohibiting the attorney  
23 representing the defendant from disclosing the information to the  
24 defendant or others.

25 Sec. 14. PRO SE DEFENDANTS. This article, including the  
26 provisions regarding the nondisclosure of a witness statement or an  
27 offense report by law enforcement personnel, applies to a defendant

1 who has elected to proceed pro se only to the extent approved by the  
2 court.

3 Sec. 15. THIRD PARTY DISCOVERY. A party may obtain, other  
4 than from the office of the attorney representing the State, and  
5 other than documents or items provided by the attorney representing  
6 the state, documents from other persons, entities or third parties  
7 by serving such person or entity with a subpoena for such documents  
8 that provides a reasonable time and place for production of the  
9 documents. A person or entity served with such a subpoena may itself  
10 or through its counsel, before the time for compliance, object to or  
11 seek protection from the request. The court may enter any order  
12 appropriate under the circumstances to assure a reasonable time,  
13 place, manner, or scope of production. Unless the court orders  
14 otherwise, costs for production shall be paid by the party  
15 requesting the production, provided that such costs shall not  
16 exceed those allowed under the Texas Public Information Act.

17 Sec. 16. CONFLICT OF LAW. To the extent of any conflict,  
18 this article prevails over Chapter 552, Government Code.

19 SECTION 2. The change in law made by this Act applies to the  
20 prosecution of an offense committed on or after the effective date  
21 of this Act and to any prosecution initiated after the effective  
22 date of this Act. The prosecution of an offense committed before  
23 the effective date of this Act and the prosecution of an action  
24 initiated before the effective date of this Act is covered by the  
25 law in effect when the offense was committed or the prosecution  
26 commenced, and the former law is continued in effect for this  
27 purpose. For purposes of this section, an offense is committed

1 before the effective date of this Act if any element of the offense  
2 occurs before the effective date and a prosecution is commenced  
3 before the effective date of this Act if a complaint, information or  
4 indictment has been filed or obtained by the attorney representing  
5 the state and the defendant has been arrested for such offense  
6 before the effective date of this Act.

7 SECTION 3. This Act takes effect January 1, 2014.
