AN ACT
relating to measures to support public school student academic
achievement and high school, college, and career preparation.
BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:
SECTION 1. Sections 7.0561(b), (c), (d), and (j), Education
Code, are amended to read as follows:
(b) The Texas High Performance Schools Consortium is
established to inform the governor, legislature, State Board of
Education, and commissioner concerning methods for transforming
public schools in this state by improving student learning through
the development of innovative, next-generation learning standards
and assessment and accountability systems, including standards and
systems relating to career and college readiness.
(c) From among school districts and eligible
open-enrollment charter schools that apply using the form and in
the time and manner established by commissioner rule, the
commissioner may select not more than 30 [20] participants for the
consortium. The districts selected by the commissioner must
represent a range of district types, sizes, and diverse student
populations, as determined by the commissioner in accordance with
commissioner rule. To be eligible to participate in the
consortium, an open-enrollment charter school must have been
awarded a [an exemplary] distinction designation under Subchapter
G, Chapter 39, during the preceding school year.
(d) The number of students enrolled in consortium participants may not be greater than a number equal to 10 percent of the total number of students enrolled in public schools in this state according to the most recent agency data.

(j) The school districts and open-enrollment charter schools participating in the consortium[the commissioner] shall submit reports concerning the performance and progress of the consortium to the governor and the legislature, the State Board of Education, and the commissioner not later than December 1 of each even-numbered year[2012, and not later than December 1, 2014]. [The report submitted not later than December 1, 2012, must include any recommendation by the commissioner concerning legislative authorization for the commissioner to waive a prohibition, requirement, or restriction that applies to a consortium participant. That report must also include a plan for an effective and efficient accountability system for consortium participants that balances academic excellence and local values to inspire learning and, at the state level, contingent on any necessary waiver of federal law, may incorporate use of a stratified random sampling of students or other objective methodology to hold consortium participants accountable while attempting to reduce the number of state assessment instruments that are required to be administered to students. The commissioner shall seek a federal waiver, to any extent necessary, to prepare for implementation of the plan if enacted by the legislature. This subsection expires January 1, 2018.]

SECTION 2. Section 28.009(b), Education Code, is amended to
(b) The agency shall coordinate with the Texas Higher Education Coordinating Board as necessary in administering this section. The commissioner may adopt rules as necessary concerning the duties under this section of a school district. The Texas Higher Education Coordinating Board may adopt rules as necessary concerning the duties under this section of a public institution of higher education. A rule may not limit the number of dual credit courses or semester credit hours in which a student may enroll while in high school or limit the number of dual credit courses or semester credit hours in which a student may enroll each semester or academic year.

SECTION 3. (a) Subchapter A, Chapter 28, Education Code, is amended by adding Section 28.015 to read as follows:

Sec. 28.015. PUBLIC OUTREACH MATERIALS TO PROMOTE CURRICULUM CHANGE AWARENESS. (a) The agency shall develop uniform public outreach materials that explain the importance and outline the details of public school curriculum changes under Chapter 211 (H.B. 5), Acts of the 83rd Legislature, Regular Session, 2013, and subsequent associated decisions by the State Board of Education. The agency shall make the materials available to school districts.

(b) The materials developed under this section must:

(1) be available in English, Spanish, and Vietnamese;

(2) be in a form that would allow school districts to mail the information to students and parents; and

(3) include an explanation of:

(A) the basic career and college readiness
components of each endorsement under Section 28.025(c-1);

(B) the curriculum requirements to gain automatic college admission under Section 51.803; and

(C) applicable course, graduation plan, and endorsement requirements for financial aid authorized under Title 3, including curriculum requirements for:

(i) the TEXAS grant as provided under Subchapter M, Chapter 56;

(ii) the Texas Educational Opportunity Grant Program as provided under Subchapter P, Chapter 56; and

(iii) the Texas B-On-time loan program as provided under Subchapter Q, Chapter 56.

(c) This section expires September 1, 2018.

(b) The Texas Education Agency shall develop the materials described under Section 28.015, Education Code, as added by this section, no later than December 1, 2015.

SECTION 4. Subchapter A, Chapter 28, Education Code, is amended by adding Section 28.016 to read as follows:

Sec. 28.016. INSTRUCTION IN HIGH SCHOOL, COLLEGE, AND CAREER PREPARATION. (a) Each school district shall provide instruction to students in grade seven or eight in preparing for high school, college, and a career.

(b) The instruction must include information regarding:

(1) the creation of a high school personal graduation plan under Section 28.02121;

(2) the distinguished level of achievement described by Section 28.025(b-15);
each endorsement described by Section 28.025(c-1);
(4) college readiness standards; and
(5) potential career choices and the education needed
to enter those careers.

(c) A school district may:

(1) provide the instruction as part of an existing
course in the required curriculum;
(2) provide the instruction as part of an existing
career and technology course designated by the State Board of
Education as appropriate for that purpose; or
(3) establish a new elective course through which to
provide the instruction.

d) Each school district shall ensure that at least once in
grade seven or eight each student receives the instruction under
this section.

SECTION 5. Subchapter A, Chapter 33, Education Code, is
amended by adding Section 33.009 to read as follows:

Sec. 33.009. POSTSECONDARY EDUCATION AND CAREER COUNSELING
ACADEMIES. (a) In this section, "center" means the Center for
Teaching and Learning at The University of Texas at Austin.

(b) The center shall develop and make available
postsecondary education and career counseling academies for school
counselors and other postsecondary advisors employed by a school
district at a middle school, junior high school, or high school.

(c) In developing academies under this section, the center
shall solicit input from the agency, school counselors, the Texas
Workforce Commission, institutions of higher education, and business, community, and school leaders.

(d) An academy developed under this section must provide counselors and other postsecondary advisors with knowledge and skills to provide counseling to students regarding postsecondary success and productive career planning and must include information relating to:

1. each endorsement described by Section 28.025(c-1), including:
   (A) the course requirements for each endorsement; and
   (B) the postsecondary educational and career opportunities associated with each endorsement;
2. available methods for a student to earn credit for a course not offered at the school in which the student is enrolled, including enrollment in an electronic course provided through the state virtual school network under Chapter 30A;
3. general academic performance requirements for admission to an institution of higher education, including the requirements for automatic admission to a general academic teaching institution under Section 51.803;
4. regional workforce needs, including information about the required education and the average wage or salary for careers that meet those workforce needs; and
5. effective strategies for engaging students and parents in planning for postsecondary education and potential careers, including participation in mentorships and business
partnerships.

(e) The center shall develop an online instructional program that school districts may use in providing the instruction in high school, college, and career preparation required by Section 28.016. The program must be structured for use as part of an existing course.

(f) The center may access the P-20/Workforce Data Repository established under Section 1.005(j-1) in developing training, instructional programs, and technological tools under this section and conducting related evaluations. The center may be provided access to the data repository through collaboration with the Texas Higher Education Coordinating Board or a center for education research established under Section 1.005. The agency and the coordinating board may not condition the center’s access to the data repository on agency or board review of the proposed training, instructional programs, technological tools, or related evaluations developed by the center.

(g) A teacher of a course described by Section 28.016(c)(2) or (3) may attend an academy developed under this section.

(h) From funds appropriated for that purpose, a school counselor who attends the academy under this section is entitled to receive a stipend in the amount determined by the center. If funds are available after all eligible school counselors have received a stipend under this subsection, the center shall pay a stipend in the amount determined by the center to a teacher who attends the academy under this section. A stipend received under this subsection is not considered in determining whether a district is paying the school
counselor or teacher the minimum monthly salary under Section

21.402.

(i) From available funds appropriated for purposes of this
section, the center may provide to school counselors and other
educators curricula, instructional materials, and technological
tools relating to postsecondary education and career counseling.

(j) The center shall comply with any applicable provision of
Section 1232g) in performing its duties or exercising its authority
under this section.

SECTION 6. (a) Section 51.3062, Education Code, is amended
by adding Subsection (u) to read as follows:

(u) An institution of higher education that administers an
assessment instrument to students under this section shall report
to each school district from which assessed students graduated high
school all available information regarding student scores and
performance on the assessment instrument and student demographics.
The board shall adopt rules as necessary to implement this
subsection, including rules for implementing this subsection in a
manner that complies with federal law regarding confidentiality of
student medical or educational information, including the Health
Insurance Portability and Accountability Act of 1996 (42 U.S.C.
Section 1320d et seq.) and the Family Educational Rights and
Privacy Act of 1974 (20 U.S.C. Section 1232g), and any state law
relating to the privacy of student information.

(b) Section 51.3062(u), Education Code, as added by this
section, applies beginning with assessment instruments
SECTION 7. Section 130.008, Education Code, is amended by adding Subsections (g) and (h) to read as follows:

(g) A course offered for joint high school and junior college credit under this section must be taught by a qualified instructor approved or selected by the public junior college. For purposes of this subsection, an instructor is qualified if the instructor holds:

1. a doctoral or master's degree in the discipline that is the subject of the course;
2. a master's degree in another discipline with a concentration that required completion of a minimum of 18 graduate semester hours in the discipline that is the subject of the course; or
3. for a course that is offered in an associate degree program and that is not designed for transfer to a baccalaureate degree program:
   (A) a degree described by Subdivision (1) or (2);
   (B) a baccalaureate degree in the discipline that is the subject of the course; or
   (C) an associate degree and demonstrated competencies in the discipline that is the subject of the course, as determined by the Texas Higher Education Coordinating Board.

(h) Not later than the 60th day after receipt, a public junior college shall approve or reject an application for approval to teach a course at a high school that is submitted by an
instructor employed by the school district, organization, or other person that operates the high school with which the junior college entered into an agreement under this section to offer the course.

SECTION 8. Section 303.003(b-2), Labor Code, is amended to read as follows:

(b-2) In addition to the purposes described by Subsections (b) and (b-1), in each state fiscal biennium, an amount of money from the skills development fund not to exceed five percent of the amount of general revenue appropriated to the skills development fund for that biennium may be used as provided by this subsection. Funds available to the commission from other sources may also be used as provided by this subsection. Funds may be awarded under this subsection to a lower-division institution of higher education to be used under an agreement with a school district, or to a school district to be used under an agreement with a lower-division institution of higher education, to support courses offered for joint high school and college-level credit or offered under a college credit career or technical education program that leads to an industry-recognized license, credential, or certificate. Appropriate uses of funds awarded under this subsection include purchasing or repairing necessary equipment for a course and developing a course curriculum. A course or program supported under this subsection must:

(1) have the endorsement of, or a letter of support from, at least one employer in this state; and

(2) be targeted to address the needs of high-demand fields or occupations, as identified by the applicable local
workforce development board.

SECTION 9. Section 28.016, Education Code, as added by this Act, applies beginning with the 2015-2016 school year.

SECTION 10. This Act takes effect immediately if it receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution. If this Act does not receive the vote necessary for immediate effect, this Act takes effect September 1, 2015.
