House Committee on Culture, Recreation & Tourism

7/18/2018

The hearing was moved to room E2.014 due to technical difficulties and signs were posted on the hearing room doors notifying attendees.

The committee met jointly with the House Committee on Agriculture & Livestock to consider the following interim charge:

Study the effects of declining migratory species, such as the monarch butterfly, as well as native and domesticated bee populations on agricultural production and its economic impact on the state. Identify possible causes of the population changes and monitor national trends. Make recommendations on how to improve and promote monarch butterfly and bee populations and habitats in the state.

Testimony taken/registration recorded. (See attached witness list.)

At 12:31 p.m., on the motion of Representative Frullo and without objection, the meeting was adjourned subject to the call of the chair.

Rep. Frullo, Chair

Taylor Calvin, Clerk
