

**SENATE**

**NOTICE OF PUBLIC HEARING**

COMMITTEE: State Affairs  
TIME & DATE: 9:00 AM, Wednesday, October 25, 2017  
PLACE: Senate Chamber  
CHAIR: Senator Joan Huffman

---

The Senate State Affairs Committee will meet Wednesday, October 25, 2017 at 9:00am to hear public and invited testimony on the following interim charges:

- Review the interaction between federal, state, and local agencies in charge of responding to natural disasters. Examine emergency situation operations, including evacuation routes and procedures, and the efficient use of Disaster Recovery Centers. Make recommendations to ensure emergency management officials have the tools and authority necessary to promptly and appropriately respond to disaster areas and alert citizens to potential threats.
- Study and make recommendations on the benefit of the state maintaining a single, web-based source of comprehensive information that outlines the State Emergency Operations during times of disaster.

Public testimony will be limited to 2 minutes. If submitting written testimony, please provide 15 copies to the committee clerk with your name on each.
