The committee intended to take up the Enhancing Workforce Productivity charge as previously scheduled. However, representatives from the Health and Human Services Commission are unable to attend due to federal court obligations that arose several months after this hearing was scheduled. Therefore, the Chair has decided to postpone the childcare portion of this charge until a later date.

The Senate Committee on Natural Resources and Economic Development will hear invited testimony only from a representative from the Office of the Attorney General regarding the previously heard Overcoming Federal Incompetence Charge.

The committee will hear invited and public testimony on the following interim charge:

**Public testimony is limited to 3 minutes.** If submitting written testimony, please provide 20 copies to the committee clerk with your name or the name of your organization on each copy, and email a digital copy to the clerk of the committee at **Jennifer.Trevino\_SC@senate.texas.gov**.
